

A. Scholarships

St. Thomas University recognizes academic excellence through a generous scholarship program. The university offers a wide range of entrance awards to highly qualified students admitted on the basis of their high school records, as well as numerous scholarships-in-course to continuing students who have achieved academic distinction at St. Thomas.

The Entrance Scholarship program is highly competitive and is highly selective. It is the entrance award for students who are applying on the basis of their high school records.

1. Selection Criteria

In selecting entrance scholarship recipients, the primary criterion considered by the Entrance Scholarship Selection Committee is the academic record. The Committee relies on the following:

- admission average
- SAT score
- ACT score
- high school GPA
- high school class rank
- high school honors
- high school awards
- high school activities
- high school extracurricular activities
- high school financial status

Other factors considered include:

- a reference letter from a teacher, principal or guidance counselor
- scores on standardized tests

In addition to the academic selection criteria, the following criteria are considered in awarding some entrance scholarships:

- leadership qualities
- extracurricular activities
- financial status

2. Application Procedure

Candidates for full-time admission to the BA program on the St. Thomas University campus who maintain an admission average of 80% or higher, are automatically considered for entrance scholarships. However, candidates for the major scholarships must submit to the Admissions Office a completed scholarship application form providing an overview of academic honors, extracurricular and extracurricular activities, and other qualifications for
