

St. Thomas University recognizes academic excellence through a generous scholarship program. The university offers a wide range of entrance awards to highly qualified students admitted on the basis of their high school records, as well as numerous scholarships-in-course to continuing students who have achieved academic distinction at St. Thomas.

Entrance Scholarships

The Entrance Scholarship program is competitive and is designed to attract outstanding scholars to the St. Thomas University campus. Except when otherwise specified, the entrance awards are open to candidates for full-time admission to the first year of the Bachelor of Arts program who are applying on the basis of their high school records.

1. Selection Criteria

In selecting entrance scholarship recipients, the primary criterion considered by the Entrance Scholarship Selection Committee is the academic record. The Committee reviews the following:

- admission average
- Grade 12 program: courses and levels

Note: The admission average is calculated on the basis of the cumulative academic English grade and the grade on the Grade 12 academic course and the final exam of the applied admission subject. For details, please consult Section One, Admission and Registration. Additionally, the admission average formula is calculated on the basis of the average of the grade on Grade 11 academic subject, the final exam and the mid-term exam (for non-eme and school) on Grade 12 academic subject.

Other factors considered include:

- a reference letter from a teacher, principal or guidance counsellor

In addition to the academic selection criteria, the following criteria are considered in awarding some entrance scholarships:

- leadership qualities
- extracurricular activities
- financial status

2. Application Procedure

Candidates for full-time admission to the BA program on the St. Thomas University campus who maintain an admission average of 80% or higher, are automatically considered for entrance scholarships. However, candidates for the major scholarships must submit to

the Admissions Office a completed scholarship application form providing an overview of academic Honours, co-curricular and extracurricular activities, and other qualifications for entrance awards. A letter of reference must also be submitted. Application materials submitted to the Admissions Office will also be reviewed by the Entrance Scholarship Selection Committee.

3. Application Deadline

The application deadline for major renewable scholarships is March 1 and scholarship offers are announced by April 15. Recipients have until May 15 to confirm acceptance of scholarships by submitting a \$100 advance payment on tuition. Scholarship applications received after the March 1 deadline are reviewed on an individual basis and scholarships may be offered, conditional on the availability of awards. Guaranteed annual awards are offered throughout the admissions cycle (September – August).

4. Renewal Criteria

Students may hold a renewable scholarship for a maximum of four academic years (September to April).

Recipients of renewable scholarships must maintain the required annual grade point average (see individual scholarship descriptions) on a minimum of 24 credit hours of course work taken during the academic year (September to April). *Note: the annual grade point average is calculated on the total number of credit hours taken during the academic year, not the 24 credit hours.*

Please note that the normal full-time course load is 30 credit hours per academic year to complete the 120 credit hour degree program in four years. Students who choose to take fewer than 30 credit hours per year will have to make up the shortfall in credit hours in a subsequent term (e.g., Intersession/Summer session, course overload in a later year, or extension of the degree beyond four years). Scholarship students are responsible for all costs associated with any courses taken outside of the normal academic year (September to April) or beyond four years.

Recipients of a St. Thomas Renewable Scholars Scholarship or St. Thomas Renewable Achievement Scholarship who are not eligible for renewal of this award may apply in writing to the Registrar's Office for renewal in any subsequent year in which they obtain a minimum annual grade point average of 3.7 on a minimum of 24 credit hours of course work taken during the academic year (September to April). *Note: the annual grade point average is calculated on the total number of credit hours taken during the academic year, not the 24 credit hours.*

St. Thomas offers an Entrance Award Program that includes scholarships for high academic achievement, bursaries for students who have a demonstrated financial need, and other awards for students balancing academic performance with extra-curricular, volunteer, or community achievements.

Except when otherwise specified, entrance awards are open to candidates for full-time admission to the first year of the Bachelor of Arts Program who are applying on the basis of their high school records.

Unless otherwise indicated, the deadline for entrance scholarship and bursary applications is March 1st. To apply, complete the Scholarship and Bursary Application Forms on your student portal. Note that additional application materials may be required.

Unless otherwise indicated, the deadline for entrance bursary applications is March 1st. The Bursary Application Form is available at the Office of the Registrar, or can be downloaded at www.stu.ca. Note that some bursaries require additional application materials.
